

## SUNSHINE HELPS OKLAHOMA CROPS

Light Precipitation Also Gives Vegetation Fine Chance to Grow.

### PLOWING GETS DELAYED

Winter Wheat Work in Some Localities Retarded; Other Sections Go Ahead.

OKLAHOMA CITY, Aug. 4.—Seasonable temperatures, adequate sunshine and little precipitation during the week ending August 3, caused Oklahoma crops generally to make good to excellent progress, the week-by-week report of the weather bureau issued here today declares. Late corn, truck crops, garden and pasture are needing rain in most localities, the report adds, although early corn is mostly far enough advanced toward maturity to be safe from injury by drought. Northwestern counties especially are in need of rain, where late upland corn is pinched by lack of moisture.

Dry soil brought about a suspension in plowing of land for winter wheat in some localities, although fair progress was made in other sections of the state, the report continues. Grain, sorghums, broom-corn, sweet potatoes and peanuts made good growth and are good to excellent prospects, but will soon need rain.

Cotton generally made excellent advances, the plants generally blooming and fruiting nicely, although a little shedding was reported. There has been no serious damage by insects, the condition of the crop is much improved, only a few localities in the eastern portion reporting the crop a rather poor to good.

"The harvesting of broom corn is well under way in the county central districts. Harvesting of the third stand of alfalfa progressed under exceptionally favorable conditions, and native hay promises a good crop."

#### State Briefs

TAHLEQUAH, Aug. 4.—Among the crowds of men and women at the polling places Tuesday, there was not found a single person who recalled the first election held in Tahlequah. It was on the first Monday in August of 1841, held pursuant to an act of the national council passed in the previous November. Stephen Foreman of Parkhill and David Carter of this neighborhood were superintendents in charge of this precinct. A sheriff was elected on that day, but no one remembers his name.

PONCA CITY, Aug. 4.—While on the trail of thieves who recently robbed stores at Braman of \$2,000 worth of merchandise, Sheriff Dan Bain visited Coldwater, Kan., where several suspects were under arrest. They proved to be the men who had robbed stores in several Kansas towns and under their direction Bain and an officer from Howard, Kan., located \$100 worth of stolen merchandise in a Mexican camp at Tockney, Kan. The Braman spoils were not discovered.

TAHLEQUAH, Aug. 4.—Speculators seeking to buy standing corn at

## INVENTIVE GENIUS MAKES CALOMEL DELIGHTFUL

Calomel, the Most Valuable of Drugs, Now Purified From Its Nausea and Danger—"Calotabs" the New Name.

The medicinal virtues of calomel are in no way compromised by its nauseating and dangerous qualities, as is proven by the fact that the new calomel tablet, called Calotabs, is free from objectionable effects yet retains all of the liver-cleansing and system-purifying qualities of the old salt. For biliousness, headaches, constipation and indigestion, and wherever calomel is essential, the new de-natured calomel tablet is a practically perfect substitute.

To inspire public confidence in this new discovery the manufacturers have authorized druggists everywhere to refund the price if the customer is not "perfectly delighted" with Calotabs. Sold only in original packages, sealed with a cork and five cents. One tablet at bedtime, with a swallow of water. No taste, no nausea, no drowsiness. You wake up in the morning with a clean liver, feeling fine, and a hearty appetite for breakfast. But what you please—no danger—Advt.

## TAKE TESTIMONY ABOUT RED RIVER

Special Federal Commissioner Starts Case; Freeing There.

OKLAHOMA CITY, Aug. 4.—Taking of evidence in the Red River boundary dispute case between Texas and Oklahoma began before Frederick S. Tyler of Washington, special commissioner at the federal building here today. Attorney General Prince Freeing of Oklahoma, representing Oklahoma, has summoned several hundred witnesses and it is expected several weeks will be consumed in the taking of testimony.

Judge George S. Marsh of Madill, Ok., was the first witness today. His testimony was supported by documentary evidence introduced by Mr. Freeing. Included in the documents were old Spanish treaties and a diary of President Adams dealing with boundaries in that section in controversy.

**Billy Miske.**  
Billy Miske, the only white American heavyweight who has fought Jack Dempsey and escaped a knockout, is to be the champion of the world in the light of the harbor, Mich. This is Dempsey's first fight as world's champion.

### FERRIS VICTORY SEEMS ASSURED

CONTINUED FROM PAGE ONE.  
Ferris made Gore's war record the issue of his campaign. Additional reports late tonight from the Fifth congressional district from 289 of the 276 precincts gave P. B. Swank 10,034 and R. E. Stafford 8,675, in the race for the democratic congressional nomination.

MUSKOGEE, Okla., Aug. 4.—Scott Ferris has apparently carried

the Second congressional district over Senator Thomas P. Gore for the democratic senatorial nomination by a majority of about 2,000. Returns from 267 of the 246 precincts in the district give Ferris 10,455, Gore 8,515.

Baskett county alone has not reported. Gore managers concede that returns from Haskell county will swell the Ferris lead. Other returns are so incomplete and so scattering it is difficult to make an estimate upon the results. It appears, however, that Miss Alice Robertson, Muskogee postmaster under President Theodore Roosevelt, has won the republican congressional nomination over R. B. Byrns of Muskogee and Orlando Swain of Okmulgee. Miss Robertson carried Muskogee and McIntosh counties by good majorities.

OKMUGEE, Aug. 4.—Complete official returns from Okmulgee county give Ferris 2,070, Gore 1,125. For supreme court justice, Barth, 1,867; Maxey 327; Christopher 882. For judge of the criminal court of appeals, Neal 625, Daventport 531, Cook 505, Norvell 198, Collier 452, Brewster, 279. For corporation commissioner, Echols 675, Thraves 631, Simpson 292, J. H. Johnston 227, Gill 255, J. N. Johnson 189, McCullum 273, Wilson 255.

McALLESTER, Okla., Aug. 4.—Incomplete and unofficial returns from sixty-seven of 74 precincts of Pittsburg county show Sen-

ator Gore lost to his rival, Congress man Scott Ferris, for the nomination in one of the bitterest fought contests ever held in this county. He polled 1,612 votes to Ferris' 2,532.

Only the majority given in McAlester, where Gore received but 602 votes to Ferris' 1,152, saved the county from going to Gore. The seven boxes still out are from small precincts and not expected to materially change the figures.

MIAMI, Okla., Aug. 3.—Early returns indicate that James S. Mahon, republican candidate for congress from the First congressional district, has carried his own, Ottawa county, by a majority of 600 votes over T. A. Chandler, his only opponent. Returns are very slow coming in and even Ottawa county reports are incomplete. No other county has been heard from.

*Two Points to Remember*

When you want to STORE your home's furnishings—or any part of them—remember that we offer you

county totaled, Scott Ferris has 2,532 and Thomas P. Gore 2,509. All of the missing precincts are country districts.

SHAWNEE, Aug. 4.—With 14 precincts out of 63 in Pottawatomie county in, Cash M. Cade of Shawnee is leading for republican nomination by 260 votes over J. W. Harrell. J. Dennis Flynn of Sapulpa is leading J. C. Pringle of Chandler for republican nomination for congress by practically 100.

ARDMORE, Okla., Aug. 4.—Unofficial returns from 31 incomplete pre-

dicts out of 48 in Carter county compiled at 2 o'clock this afternoon give Ferris 2,179; Moore 1,433.

**To Destroy Malarial Germs**  
Take GROVE'S TASTELESS CHILL TONIC. It destroys any malarial germs in the blood, and removes the impurities. GROVE'S TASTELESS CHILL TONIC strengthens and builds up the system by Purifying and Enriching the Blood. You can soon feel its Strengthening, Invigorating Effect. 60c.—Advt.

## Rheumatism Comes From Tiny Pain Demons

Disease Caused by Germs in the Blood.

First of all get it firmly fixed in your mind that all the liniments in the world have no effect whatever on Rheumatism. You may use them by the gallon, and rub the painful parts by the hour, getting possibly some temporary relief from the torturing pains, but you are making no headway whatever toward reaching the cause of the disease.

Medical scientists differ as to the cause of every form of rheumatism, but agree that when caused by a tiny disease germ, the only effective method of treatment is to

attack the disease at its source, and cleanse the blood of its cause. The most common form of Rheumatism is caused by millions of tiny disease germs which infect the blood. The one and only sensible treatment, therefore, is one which cleanses the blood of these germs, and routs them entirely out of the circulation. This is why S. S. S., the greatest known blood purifier is so successful in the treatment of Rheumatism. It is a powerful cleanser of the blood, and will remove the disease germs that cause your Rheumatism, affording relief that is genuine. S. S. S. is sold by all druggists. Free literature and medical advice can be had by writing to Chief Medical Adviser, 601 Swift Laboratory, Atlanta, Ga.—Advt.
